LATEST NEWS.

LONDON, July 12.—The French government has informed England that they await official advice from Madagascar, before replying to Lord Grandville's demand for explanations of the occurrence there.

A project is on foot to investigate the origin and character of the Cholera in Egypt.

In his will the Count de Chambord commands all royalists to recognize the Count de Paris as the heir to the throne of France.

Mr. Charles Bradlaugh says he will endeavor to take his seat in the Commons in obedience to the law, and if he is expelled he will appeal to the electors in his constituency.

M. Bonbee has been wounded in a duel with Mr. Emmanuel Arene. Both are members of the French Chamber of Deputies.

M. Paul de Cassagnac has challenged M. Ferry on account of differences during the same debate, but the latter has taken no notice of Cassagnac's message.

A coal company, with a subscribed capital of \$1,000,000, has been organized to operate the famous Milner coal mines, near Birmingham, Ala.

The Philadelphia Commercial Exchange yesterday passed resolutions calling on Congress to redeem the trade dollar at par or legalize the issue of that coin.

Rear Admiral Baldwin, who was detailed to represent the United States at the Czar's coronation, reports that owing to some misunderstanding he received no invitation, and could, therefore, not attend. The Russian minister has apologized for the seeming neglect.

Soldier, Kansas, has been visited by a tornado, which demolished 15 buildings and killed four persons. There was also a rain-storm in the State which did much damage. A heavy wind-storm passed over Wisconsin. The worst hail-storm ever known at Volga, Dak., occurred there. The crops were badly damaged. A very hard rain-storm prevailed at Indianapolis last evening.

The surgeon-general of the Marine Hospital service has not been advised of the departure of the bark Salome from Galveston for Hampton Roads with yellow fever on board. He says, however, that the health authorities at Norfolk would probably not allow the infected vessel to pass inside the capes.

A queer case of blood money is now being tried in a New York court, one Okenberg, was in a dangerous condition and pronounced incurable, when a physician expressed a desire to try the transfusion of blood. A porter in the house agreed to spare the blood, when the patient recovered. The suit is brought for pay for the blood at one cent per ounce.

GENERAL NEWS.

LONDON, July 11.—Mr. Bradlaugh has asked whether his appearing in the House of Commons to take his seat would be considered a disturbance.

Trouble has arisen between English and French residents in Tunis on account of the latter imprisoning a Maltese.

Some of the returned pauper emigrants arrived in London yesterday. They were in a wretched condition.

China has appointed M. Makien, a Europeanized diplomat, to confer with the French minister relative to the Tonquin affair.

The bank at Franklin, N. Y., has been robbed of \$300 in silver. Two families living near were bound and gagged, and after two hours' work the burglars blew the safe open. The explosion tore out nearly the whole front of the building and set fire to the papers.

The United States steamer Vandalia, which recently returned from the West Indies, has been quarantined at Norfolk, Va., to wait the development of a case of sickness which attacked one of the men on the 9th inst., as there is a possibility of its proving to be yellow fever.

Pierre Lorillard's racers, Iroquois, Aranza and Parthenia, arrived at New York on the steamer Erin, which left London on June 27. They stood the voyage well and are all in excellent condition.

The regular meeting of the Western Rail Association was held in Pittsburgh. It was decided to suspend operations in all factories for a month beginning next Monday, to prevent any depression in prices.

At a meeting of the promoters of the South Pennsylvania Railroad Company, a committee consisting of Dr. Hostetter, Mr. Twombly, F. B. Gowen, W. K. Vanderbilt and W. C. Whitney was appointed to take charge of the construction of the line. All the stock has been subscribed, Mr. Wm. H. Vanderbilt heading the list with \$5,000,000, and Dr. Hostetter following with \$2,000,000. The lowest subscription is \$50,000. Nearly all of the Philadelphia and Reading board of management have subscribed \$100,000 each.

In Bridgeport Ct., Captain James Hunter and Lieutenant Robert McMullen, of the Salvation Army, have been found guilty of breach of the peace and fined ten dollars each and costs. The court forbade them from holding meetings on the streets and parading in future.

An excursion train from Titusville, Pa., having on board 75 members of Masonic lodges, while returning from Jamestown, collided with a freight train on the Buffalo and Southwestern Road, instantly killing George Gates, the conductor, and M. D. Colby, brakeman of the freight train, and fatally injuring W. J. Innis, another brakeman.

The Floods in Canada Cause a Great Loss of Life and Property.

LONDON, Ont., July 11.—The river here has risen to an unprecedented height, and the destruction of property is swelling fearfully. So far as known, eight houses have been carried away. Three persons are known to have been drowned, and it is feared that the number will reach a much larger figure. A large number of persons are missing, but it is not known definitely that they have been drowned. Barns have been carried away by the score, and railroad travel is cut off by a washout on the main line at Patton's siding, and on the Sarnia division the Kensington bridge, and on the Sarnia division the Kensington bridge and the Oxford bridge are gone, and also a large section of a bridge at the Ladies' College.

The steamer Princess Louise floated down stream and carried away Byron bridge. The water works pumping house is in great danger and is expected to go. Horses, cattle, etc., have been drowned by the score.

In the House of Commons yesterday Mr. Gladstone called attention to an affront to the English government in Madagascar by the French commander, who ordered the English coarcel to leave in twenty-four hours. The latter, who was sick at the time, dying soon after. He stated that the French government had been called upon to explain.

Paul de Cassagnac's action in declaring that the Tonquin expedition was due to stock-jobbing motives, created some excitement in the French Chamber of Deputies.

The public sale at Havana on July 5 of the American brig Nettie for violation of the customs laws, was protested against by Gen. Badeau, the United States counsel general. The United States government requested that the case be referred to Madrid, but the home government refused to interfere.

LONDON, July 10.—The relations of France with Tongkin and China were considered in the French Chamber of Deputies yesterday, and warlike and violent speeches were made. The French counsel at the capital of Annam has been insulted and attacked on the street.

It is reported that a rupture is threatened between Germany and the Vatican.

There were 49 deaths from cholera at Damietta yesterday, and at Mansurah 101.

The joint committee of Parliament upon the English channel tunnel has rejected the scheme.

In the Spanish Chamber of Deputies a debate has been begun upon the policy of the government.

The committee of the House of Lords upon the Irish land act finds that the relations between landlord and tenant have not improved.

In the House of Commons last night a motion was adopted restricting the importation of cattle from countries where cattle disease may exist.

Dispatches from Parkersburg, W. Va., continue to report great excitement over the alleged development of a promising oil field in the Stillwell district.

Seven cars of a mixed train on the Natchez and Jackson road fell through a bridge fifty feet high, Monday evening, five miles from Natchez. Conductor T. O. Jennings was killed, and passengers James Grills, Fred. Manocci, Willie Conner, Mrs. and Miss Cannon, Lucia Smith and Jennie Hall were injured.

The city electrician of Chicago has declared war against certain of the electric light companies in that city by cutting all the wires not placed under ground. The competition has become so sharp between the companies that it is claimed they do not use properly insulated wires, and that they string them at random on the house-tops, where contact with them would result in instantaneous death.
